Proposed Regulation [REDACTED]

25X1A

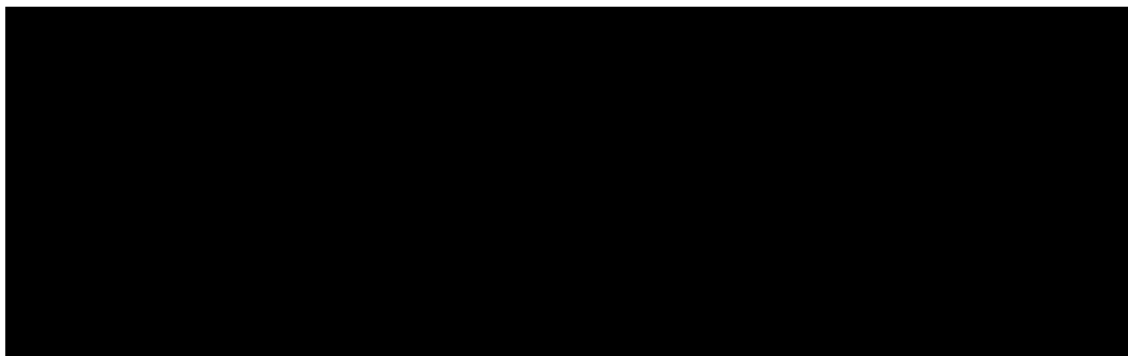

25X1A

1. Attached herewith find concurrence sheet for Covert Regulation [REDACTED]. This concurrence is signed subject to the following recommended change in Paragraph 2.C. of the aforementioned regulation.

2. The words "where appropriate" shall be stricken, making it mandatory that all plans concerning transfer of funds of other Government agencies be reviewed by the Office of General Counsel. This change has the approval of the issuing office.

3. This change is made in view of the fact that the proposed regulation contemplates extraordinary transfers of funds to this Agency by other agencies which in effect represent a supplement to this Agency's appropriations. Transfers from various agencies in the normal course of business are not considered as coming within the scope of this regulation.
